

NO TO DEREGULAION!!! Mr. Powell, you are a corporate patsy, as are most of the FCC Commissioners, except for those who are opposing this deregulation. DEREGULATION IS CONGRESS' GIFT TO THE MEDIA BIZ.

This is an outrage! DELAY the June 2nd date to consider changes until word of what you are up to is spread to all the American people. Already, with Cumulus & Clear Channel, there are no jobs for local people in Broadcasting. Media Moguls will have even more undue power to control newspapers and TV. It's reprehensible. It is SINISTER. IT IS AGAINST THE PUBLIC INTEREST.
